When you read this book, you'll join me on a TRUE Internet treasure hunt with all its twists and turns, and all its failures and triumphs. In the past, treasure hunting was a dangerous adventure that demanded "Indiana Jones" like courage and perseverance and promised riches IF you survived. Treasure hunting was way beyond the capabilities of the average person. It was just a romantic adventure you'd read about in books and newspapers. NOT ANY MORE! Even treasure hunting is giving way to the Internet revolution, and NOW ANYONE CAN DO IT AND BE SUCCESSFUL! In this book, you'll become a part of my treasure hunting team, and you'll learn all the lessons needed to start your own hunt. ***how you can: Get rid of toxic feelings toward someone else. Manage and control your tongue. Get a grip on your emotions. Forgive once and for all. Be a blessing to others instead of a curse! Turn difficult relationships into good relationships! If the cry of your heart is to see a change in your marriage and an upgrade in your relationships, then this series is just for you. In this 16-part series, you'll find what you're doing right, what you're doing wrong, and what you need to do differently to see a change in your most important relationships! It is often assumed that the female characters found in popular folk and fairy tales are little more than inconsequential stereotypes--mostly serving as hapless victims in need of rescue, boring one-dimensional princesses, or egotistical and conniving villains. This book presents more fully-realized portraits of these female characters and the ways in which they actually represent bold and powerful connections to the goddesses of classic mythic narratives. The rich legacy of female goddesses, shamans, queens, and priestesses is in fact preserved and celebrated through these more modern representations, whether as brides who can transform into animals, wise old women who live alone in the deep wilderness, strong warrior maidens, or witches who can conquer and command the elements of nature. In contemplating this revised analysis of female characters within global folktales and fairy tales, readers can see that the goddesses of old have never truly been forgotten. Prepare to be inspired!
