The Boy from Mars Nov 15 2021 The heart-warming story of a little boy who misses his mum from award-winning author-illustrator Simon James. The day that Stanley's mum had to go away, he decided to go to Mars. In his place, a not-very-well-behaved Martian arrived. He looked just like Stanley, but he wouldn't eat his vegetables, he wouldn't clean his teeth and he certainly didn't play nicely in the playground. Dad's not sure what Mum will think when she gets back. Will the martian still be there, or will the real Stanley get back in time? Simon James's gentle watercolour illustrations add depth and warmth to this charming story of Stanley who misses his mum. From award-winning author-illustrator Simon James, whose books for Walker include Dear Greenpeace and Rex. A charming and funny story that also subtly explores family relationships

Der Junge aus der letzten Reihe Jan 30 2023 In der letzten Reihe unseres Klassenzimmers gab es immer einen leeren Platz. Doch jetzt sitzt dort ein Junge namens Ahmet. Er hat graue Augen, ist neun Jahre alt (genau wie ich) und verhält sich ein bisschen komisch. Aber inzwischen weiß ich, warum: Ahmet kommt aus einem Land, in dem Krieg herrscht und aus dem er fliehen musste. Ganz ohne seine Eltern! Seit ich weiß, dass Ahmet "Tim und Struppi" genauso sehr mag wie ich, will ich seine beste Freundin sein. Deshalb müssen wir ihm unbedingt dabei helfen, seine Eltern wiederzufinden! Die Einzige, die uns dabei unterstützen kann, ist die Queen. Aber wie kommen wir nur in den Buckingham-Palast?

The Boy No One Loved Nov 27 2022 The first in a series of books from foster carer Casey Watson. 'We're hungry, ' his brother cried. 'We're hungry, Justin. Please find us some food.' Justin was five years old; his brothers two and three. Their mother, a heroin addict, had left them alone again. Later that day, after trying to burn down the family home, Justin was taken into care.

The Boy Problem in the Home Jun 22 2022 Excerpt from The Boy Problem in the Home This book differs in several ways from others written upon the home training of children. It is entirely about boys. It deals with boys at all ages. (Some writers dodge the high-school age.) It has to do solely with three things: home government, sex discipline and religious nurture. There are many other interesting phases of the education of boys. There is the boy in relation to his gang, but the author has treated that in his earlier book, "The Boy Problem." There is the boy in relation to the school and society, but the author has touched that in "The Coming Generation." Then there is the boy and the church, but in "Church Work with Boys" the writer has thought about that. Other phases remain: the natural repugnance of boys to Botticelli; their immunity from the great English classics; their affinity for the baseball page in the morning papers; their scorn of afternoon tea. Only lack of space has prevented consideration of these

genial themes in this book. The sons who inspired "The Boy Problem" in 1901 have now grown to manhood. Had they not all turned out well this book would not have been written. Yet they have not been referred to often here, because they have not been clinical subjects. They have rather been like friends who drop into an artist's studio while he is painting an allegorical picture and consent occasionally to sit for likenesses as his characters. After the author has outlined his theories they have been obliging enough usually to look the part. But there is one, whose eternal girlhood hardly suggests even now that she is a mother, to whom they and this book and the author owe everything. The Boy with an R in His Hand Mar 27 2020 `It is a pleasure to find that James Reaney's first book for children, first published by Macmillan of Canada in 1965, has just been re-issued in a handsome paperback edition, complete with the original illustrations by Leo Rampen. The Boy with an R in His Hand tells the story of two orphan brothers who arrive in York from the Red River Settlement in 1826 and quickly become involved with the complex politics of Upper Canada. Joel, the elder brother, aligns himself with the Family Compact and his overbearing, stuffy uncle, while Alex, more imaginative and courageous, becomes an apprentice to William Lyon Mackenzie at the Colonial Advocate. There he (and the reader) learn in some detail about Mackenzie's press and the art of type-setting. Alex, rather improbably, ``had it set up right, and from that moment on his progress in the skill of type-setting was... like a house on fire." `This is a satisfying, fast-moving story, full of incident and detail about colonial life. It climaxes with the wrecking of Mackenzie's printshop and press by a band of young Tories acting with the implicit approval of the government, at the end of which Alex finds a single capital R, his souvenir of life as a printer's apprentice. Recommended for ages nine and up, as a piece of Canadiana which enlivens history for the young reader.' -- Marilyn Rueter, *The Devil's Artisan*.

Symbols of love and adolescence in James Joyce's "Araby" Apr 28 2020 Seminar paper from the year 2018 in the subject Literature - Modern Literature, grade: 2,7, <http://www.uni-jena.de/> (Institut für Anglistik), course: Introduction to Literary Studies II, language: English, abstract: This paper will argue that James Joyce's "Araby" is a short story which contains lots of symbols for love and the process of puberty and that makes it to a love story. In 1882 Joyce was born in Dublin. He visited a Christian school from 1888 to 1891 (Oeser 139). When he was 23 he finished the tales of "Dubliners", but they were published in 1914. (Oeser 140). "Dubliners" contains 15 tales (Oeser 67). Joyce died in 1941 in Zürich (Oeser 143). "Araby" is the third story of the "Dubliners" (Collins 93). It is about a boy who lives in Dublin. The boy lives in an old house and he loves the girl who lives opposite the street. His behaviour can be characterized as a kind of obsession, because he observes the girl every day from his window. One day she asks him, if he goes to the bazar, which is called "Araby". A few days later he visits the bazar, but this leads to a big disappointment, because the market closes when he is there. The story shows by using different symbols that the boy loves the girl or even more he is obsessed, but the story not a happy end and finishes with the disappointment at the market. The act of disappointment is not just a tragic ending of a love story. It makes his puberty visible as well, because lots of people fell in love when they are getting older and become adolescents. It is also necessary to point out that most of these stories do not have a happy end in reality and in metafiction as well.

The Boy Question May 10 2021 Following on from the huge success of Boys Don't Try? this essential new book answers nine key questions about how teachers and schools can best tackle boys' academic underperformance. For decades schools have grappled with the most significant barriers to male academic success: a lack of motivation to succeed, poor attitudes to learning, lower literacy levels and a reluctance to read for pleasure or write at length. In this compelling book, Mark Roberts provides clear answers about how teachers can tackle "The Boy Question". Each chapter answers a frequently asked question about how best to teach boys, outlining the issue and demonstrating what can be done about it. Informed by a wealth of research and the author's personal experience of successfully teaching boys, this book offers an abundance of practical advice for the busy classroom teacher. It will shine a light on what makes boys tick and how we can design effective curriculums to ensure they can best acquire powerful knowledge. With practical advice and examples to help address anti-social attitudes and stem the cycle of boys' underachievement, this is essential reading for all teachers and school leaders.

The Boy at the Back of the Class Apr 01 2023 In the vein of timely titles such as Katherine Applegate's Wishtree and Alan Gratz's Refugee comes a touching, accessible middle-grade debut about the ongoing Syrian refugee crisis, as well as the life-changing power of friendship and standing as an ally. There used to be an empty chair at the back of Mrs. Khan's classroom, but on the third Tuesday of the school year a new kid fills it: nine-year-old Ahmet, a Syrian refugee. The whole class is curious about this new boy--he doesn't seem to smile, and he doesn't talk much. But after learning that Ahmet fled a Very Real War" and was separated from his family along the way, a determined group of his classmates band together to concoct the Greatest Idea in the World--a magnificent plan to reunite Ahmet with his loved ones. Balancing humor and heart, this relatable story about the refugee crisis from the perspective of kids highlights the community-changing potential of standing as an ally and reminds readers that everyone deserves a place to call home. Overall Winner of the 2019 Waterstones Children's Book Prize Winner of the 2019 Blue Peter Book Award "Tearjerking and chuckle-inducing. . . . Above all it celebrates the power of kindness." --The Sunday Post (Scotland) "Inspiring and sweet. . . . This is a beautiful, open-hearted debut from Onjali Q Raúf that should help children be the best they can be and realise the power of kindness." --BookTrust (UK) "An engaging exploration of the refugee crisis through the eyes of a child." --Readings (Australia)

Einer von uns May 22 2022 Ein fesselnder, erschütternder Roman über zwei junge Brüder und ihren zugleich liebevollen und übergriffigen Vater – Daniel Magariels Buch ist das verblüffende Debüt eines neuen, großen Talents. Die drei – ein zwölfjähriger Junge, sein älterer Bruder und ihr Vater – haben den Krieg gewonnen: So nennt der Vater seine bittere Scheidung und den Kampf ums Sorgerecht. Sie verlassen Kansas und fahren nach Albuquerque, um noch einmal neu zu beginnen. Die Jungen gehen zur Schule, spielen Basketball, finden Freunde. Ihr Vater arbeitet von Zuhause aus. Bald aber wachsen sich kleine Fehlritte des Vaters zu einer finsternen Irritation aus, müssen die Jungen erkennen, dass sich ihr Vater verändert, unberechenbar wird, mitunter brutal. Vor der kargerhabenen Kulisse der Landschaft New Mexicos erzählt Magariel mit bestechender Klarheit, wie die Jungen verzweifelt versuchen, die Familie zusammenzuhalten, sich gegenseitig schützen und helfen, und schließlich ums eigene Überleben kämpfen. »Einer von uns« ist eine kurze Geschichte mit gewaltiger emotionaler Wucht.

To all the boys I've loved before Jan 18 2022 Lara Jeans Liebesleben verlief bisher eher unauffällig. Nicht, dass es ihr an Herz oder Fantasie mangelte. Im Gegenteil, Liebeskummer hatte sie schon oft, und unsterblich verliebt war sie auch schon. Einmal sogar in den Freund ihrer großen Schwester. Klar, dass sie das keinem anvertrauen kann. Außer ihrer Hutschachtel. Denn um sich ihrer Gefühle klar zu werden, schreibt Lara Jean jedes Mal einen Abschieds-Liebesbrief, in dem sie so richtig ihr Herz ausschüttet, und legt ihn dort hinein. Diese fünf Briefe sind ein streng gehütetes Geheimnis. Bis zu dem Tag, an dem auf mysteriöse Weise jeder Brief seinen Empfänger erreicht und Lara Jeans rein imaginäres Liebesleben völlig außer Kontrolle gerät ...

The Boy Problem Feb 28 2023 "There is a time when a boy emerges from the narrow bounds of a dependent self-life and from the limits of the school and the home, and seeks the larger social world of the street and the "gang." The instinct is legitimate and masterful and full of possibilities of danger or help. Its recognition is recent and literature upon it is slight. It constitutes the most pressing problem of adolescence. The solution of the problem may be sought from three sources: from a study of boy life, from a study of the ways in which children spontaneously organize socially, and from a study of the ways adults organize for the benefit of boys. Such studies are the contents of the first four chapters. Following these are some conclusions and suggestions. The matter of the training of the individual boy in the home and the school is aside from the purpose of this inquiry, whose aim is to discuss the boy as dealt with in his social relations in the institutions of the community and the Church. To the science of this sort of education I have given the name social pedagogy"--Preface. (PsycINFO Database Record (c) 2011 APA, all rights reserved).
