Modern Family TV Show Early Years Trivia: 500 Quiz Questions & Bonus Fun Facts is authored by a sitcom expert who penned the greatest trivia quiz books on the most popular television sitcoms (e.g., Seinfeld Trivia: Everything About Nothing, Friends Trivia: Channel Your Inner Unagi, The Big Bang Theory Trivia: Challenging, and Cheers Trivia: It's a Little Known Fact...). His latest effort, Modern Family Trivia: Early Years, is the best source for accurate and well-written trivia questions about one of the top-rated sitcoms of the 2010s. Modern Family Trivia is the perfect book for every type of fan, whether occasional viewer or rabid enthusiast. There are 500 questions with varying degrees of difficulty within each chapter. The reader will encounter easy and moderate queries in addition to some challenging and genuine head-scratching brainteasers. Unlike most trivia books that have measly one-word answers, Modern Family Trivia provides expanded descriptions containing anecdotes, humorous dialogue, or bonus fun facts to further enhance the reading experience, making it more enjoyable and entertaining. In addition, scattered throughout the book are random text boxes featuring insider secrets about the show, its creators, the actors, and other contributors to the series. These entertaining morsels supplement the question-answer format with fascinating fun facts to give the reader the full Modern Family experience. Modern Family Trivia contains more information than any other trivia quiz book written on the subject, and the author's ingenious presentation has revolutionized the trivia quiz format, an unprecedented feat in publishing history. Modern Family Trivia commences with general information about the show and its history, which includes noteworthy facts and intriguing trivia guaranteed to educate and enthrall the reader. The following two sections address guest stars and recurring characters. Modern Family was known for signing big-name movie and television stars as well as developing some of the most unique and fascinating recurring characters in sitcom history. Thus, two chapters are specifically devoted to these illustrious scene-stealers. The show's vast guest star list featured well-known thespians, such as Kevin Hart, James Marsden, Matthew Broderick, Greg Kinnear, Elizabeth Banks, Jane Krakowski, Edward Norton, Shelley Long, Chazz Palminteri, Matt Dillon, Nathan Lane, Benjamin Bratt, Jesse Eisenberg, Leslie Mann, Lin-Manuel Miranda, Jennifer Tilly, and many more. In addition, the trivia inquiry delves even deeper by spotlighting the most popular recurring characters, namely Dylan, Frank Dunphy, Gil Thorpe, Dede, Sal, Shorty, Pepper, and Javier, to mention a few. The next segment of the book covers the most memorable moments of the show which pertain to all three branches of the Pritchett family tree. The questions address broader episode plots and character storylines. The remaining eleven chapters cover specific information directly associated with the members of each family—Pritchetts (Jay, Gloria and Manny), Dunphys (Phil, Claire, Haley, Alex and Luke), and Pritchett-Tuckers (Mitch, Cam and Lily)—highlighting the most uproarious scenes and unforgettable episodes while testing the viewer's attention to detail. There is something for everyone. Casual watchers and avid fanatics will be equally captivated by this meticulously crafted tome. Modern Family Trivia is guaranteed to provide hours of entertainment and laughter as the quiz-taker regales in reliving the finest moments of the show. Photos included, 500 questions with answers, 128 pages paperback, available digitally. This book is the latest title to test your knowledge in the Trivia Quiz Book series. "What we know is a drop; what we don't know is an ocean." Sir Isaac Newton 1000 Trivia and Quiz Questions For Adults & Kids is the latest book on all things trivia following the pandemic of 2020/21. The idea for the book started from the Quarantine Quiz - a weekly quiz of 20 questions and answers, published in the Murray Pioneer, a valuable regional newspaper covering the Riverland and Murray Mallee regions of South Australia, amongst others. Starting in April 2020, it is still published every week and has developed quite a following in that time. From those weekly quizzes the idea for 1000 Trivia and Quiz Questions For Adults & Kids was born. It has questions that many, young and adult, will be able to answer as it features a variety of topics. Also included in 1000 Trivia and Quiz Questions For Adults & Kids are the Bonus Questions, more challenging but not impossible to answer, which featured at the end of each quiz, and whose answers were given the following week. While some of the questions deal specifically with the Covid-19 pandemic, the overwhelming majority deal with general trivia topics such as sport, history, geography, entertainment, science, food & drink, etc. There is something in this book for everyone. 1000 Trivia and Quiz Questions For Adults & Kids can be used to conduct formal quiz and trivia nights, for use in the classroom, office or other workplaces, and for informal group or family trivia sessions. 'Best quiz book ever' HARRY HILL 'Quantick is the Captain Beefheart of quizzing' MARK BILLINGHAM 'The antidote to every deathly dull pub quiz you've ever been to. This is how a quiz book should be written - where having fun is the most important outcome' GARY WIGGLESWORTH, author of The Book Lover's Quiz Book Distinctive, unusual, difficult, but spectacularly entertaining, this quiz book is to other pub quizzes what Trivial Pursuit was to Ludo, what The Hitch-Hiker's Guide to the Galaxy is like to the Rhyll phone directory, and what the Rolls-Royce Silver Ghost is like compared to a kid's scooter. Loads better. David Quantick works regularly with Armando Iannucci, including on the new HBO series, Avenue 5. He won an Emmy as part of the writing team on Veep, a BAFTA for Harry Hill's TV Burp and a Writers' Guild Award for The Thick of It. For over fifteen years, David has also hosted his own very popular quizzes at festivals, events, pubs, clubs, cinemas and in tents: the quizzes range is broad and the questions are tricky. They're not about statistics, there's no sport, the picture rounds are conceptual, and there's sometimes a round called 'Martin Amis Character or Blur Song'. Each quiz is funny and entertaining even if you don't know the answers. The quizzes are informative and opinionated. In some ways, they're like stand-up with questions. This is a book based on David's excellent live quizzes, described by many people as 'quite difficult'. But they are quizzes. Quite difficult quizzes that tax the brain and make it go in directions it didn't know it could. That's not to say the questions are fiendishly scientific and packed with questions about dates and the periodic table. They're about books and music, movies and actors, strange events and interesting quotes. You don't leave a Quantick quiz knowing how many times Spurs have won the League, but you may know how many Shirleys have sung a Bond theme or how George V made the front page of The Times. The effectiveness of David's quizzes is down to their unusual variety and almost stream-of-consciousness leaps and bounds of factual imagination. There's not even much point in cheating, because the answers often require mental agility as well as just knowing where Calais is (it's in France, but it wasn't always, even when it was). David's quiz book includes twenty-five main quizzes, four Christmas quizzes and four specialist quizzes, so thirty-three quizzes in total. Entertaining in its own right, this is also a conceptual yet very practical guide to staging excellent quizzes of your own.
